Thomas Atkinson : Handbook of the Law of Wills and Other Principles of Succession: Including Intestacy and Administration of Decedents' Estates (Hornbook)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handbook of the Law of Wills and Other Principles of Succession: Including Intestacy and Administration of Decedents' Estates (Hornbook):

Extensive discussion on the points of law, with practical suggestions for the drafting and execution of wills. Addresses matters relevant to the administration of a decedent's estate, descent and distribution, and estate administration. Also touches briefly on issues such as property, insurance, taxation, and conflict of laws in order to present a fair picture of the law of succession.
