Stephen Gilmore : Hayes Williams' Family Law, 5th Ed. before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hayes Williams' Family Law, 5th Ed.:

Hayes Williams' Family Law provides comprehensive, critical, and case-focused discussion of the key legislation and debates affecting adults and children. Cases are at the heart of family law and this textbook offers copious case detail, with comprehensive summaries throughout the text to ensure students understand the development of family law through the courts. Alongside expert analysis and critique of the current law, the text also includes socio-legal perspectives to help students contextualize their understanding. Discussion questions at the end of each chapter allow students the opportunity to reflect and apply their knowledge and offer the ideal preparation for exams and assessments. The text also includes a range of further features to support students studying the subject for the first

time, including legislation extracts, contextual chapter introductions, and further reading advice, alongside a clear and engaging writing style. ONLINE RESOURCE CENTRE The text is accompanied by an online resource centre including: Multiple choice questions to test knowledge A flashcard glossary of key terms Further reading suggestions for each chapter

About the Author Stephen Gilmore is Barrister, Lincoln's Inn and Professor of Family Law at King's College London, UK. Lisa Blennon is an independent legal researcher and author. She is formerly Lecturer in Law, Queen's University, Belfast.
