John A. McKiggan : Health Scare: Why 98% of Potential Medical Malpractice Victims Never Receive Compensation before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Scare: Why 98% of Potential Medical Malpractice Victims Never Receive Compensation:

John McKiggan is one of the founding partners of Arnold Pizzo McKiggan. John has devoted his career to representing persons who have suffered serious personal injuries as a result of medical malpractice, car accidents and childhood sexual abuse. This book is written in plain English to educate individuals, and their families, who may have been injured or died as a result of medical malpractice. John wrote this Consumer Guide to help you better understand the medical malpractice claims process, so that you or your family can make an informed decision about whether to pursue a medical malpractice claim. For more information about medical malpractice claims and other personal injury claims, you can visit John's website at www.apmlawyers.com or take a look at one of his blogs at: www.halifaxmedicalmalpracticelawyerblog.com; www.halifaxpersonalinjurylawyerblog.com; or www.sexualabuseclaimsblog.com.
