**Owen L. Anderson, John S. Dzienkowski, John S. Lowe, Robert J. Peroni, David E. Pierce, Ernest E. Smith :**  
**Hemingway Oil and Gas Law and Taxation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hemingway Oil and Gas Law and Taxation:

2 of 2 people found the following review helpful. Good resource for new oil and gas boom via shale drillingBy mocnozamalIf you are familiar with the hornbook series, this fits well with other outlines of the area. With the new resurgence of oil and gas issues, this has been a great resource to get up to speed on generic areas of oil and gas law-- as always, the hornbook series provides keycite numbers which allow to quickly find jurisdiction specific caselaw.5 of 8 people found the following review helpful. Ernie's Hemingway ReviewBy ErnieWhat can I say. If you want to know any and everything about oil and gas law, I don't think there is any better source. Hemingway sets the standard.

This work covers the substantive law of oil and gas and federal income taxation of oil and gas transactions. The first three chapters examine interests and transactions in the mineral estate. The fourth chapter covers surface and subsurface issues. Chapters five through eight examine in detail the oil and gas lease. Chapter nine addresses the issue of transfers by the lessor and the lessee. Chapters 10 through 12 are devoted to oil and gas taxation. Students will see that this work gives them quick access to the law of oil and gas and the law of oil and gas taxation.
