Andrew McFarlane : Hershman and McFarlane Children Act Handbook 2005/06 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hershman and McFarlane Children Act Handbook 2005/06:

Hershman McFarlane Children Act Handbook 2005/06 provides a single volume source of key UK children

proceedings legislation. The book contains consolidated, fully amended, and annotated texts of the Children Act 1989 (including prospective amendments made by the Adoption and Children Act 2002 which are due to come with force in December 2005), relevant parts of the Family Proceedings Rules 1991, and other key legislation in one easily portable volume. Since implementation in 1991 of the Children Act, all this UK legislation has been constantly amended and is available in this reliable, up-to-date, portable source.
