**Andrew McFarlane : Hershman and McFarlane Children Act Handbook 2006/07** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hershman and McFarlane Children Act Handbook 2006/07:

Hershman McFarlane Children Act Handbook 2006/07 provides a single volume source of key UK children proceedings legislation and related guidance. It contains consolidated, fully amended, and annotated texts of the Children Act 1989, relevant parts of the Family Proceedings Rules 1991, and other key UK legislation in one easily portable volume. Hershman McFarlane Children Act Handbook 2006/07 meets the need for a reliable, up-to-date source, useful for child law practitioners, judges, and social workers.
