Andrew McFarlane : Hershman and McFarlane Children Act Handbook 2008/09 before purchasing it in order to gage whether or not it would be worth my time, and all praised Hershman and McFarlane Children Act Handbook 2008/09:

Published annually, the Hershman McFarlane Children Act Handbook provides a single volume source of key UK children proceedings legislation and related guidance. Hershman McFarlane Children Act Handbook 2008/09 contains consolidated, fully amended, and annotated texts of the Children Act 1989. This new edition has been fully updated to reflect UK legislative changes, including The Public Law Outline. The book meets the need for a reliable, up-to-date source for child law practitioners, judges, and social workers.
