Publishers Editorial Staff : High Court Case Summaries on Estates and Trusts, Keyed to Sterk, 4th before purchasing it in order to gauge whether or not it would be worth my time, and all praised High Court Case Summaries on Estates and Trusts, Keyed to Sterk, 4th:

0 of 0 people found the following review helpful. Good case brief for estates and trusts By ModestkitI borrowed a copy from a friend to supplement my class notes during a busy week when assignments were due and for outline preparation. The holdings and rationales matched my professor's lectures. Like other High Court Case Summaries, it met my purposes. One problem is that it lacks practice problems. For practice problems in a Bar course with a multiple choice final, there is an Exam Pro available on the market.

This publication contains well-prepared briefs for each major case in this casebook. High Court briefs are written to

present the essential facts, issue, decision and rationale for each case in a clear, concise manner. While prepared briefs can never substitute for the insight gained by actually reading a case, these briefs will help readers to identify, understand, and absorb the core take away knowledge from each case. Moreover, these briefs are followed by a useful legal analysis, which provides extra tips and contextual background about each case, connecting the case to the broader concepts being developed throughout the casebook. This book also supplies case vocabulary, which defines new or unusual legal words found throughout the cases. Finally, to enhance the reader's recall, there is a corresponding memory graphic for each brief that portrays an entertaining visual representation of the relevant facts or law of the case.
