Patricia I. Carter : HIPAA Compliance Handbook, 2016 Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised HIPAA Compliance Handbook, 2016 Edition:

0 of 0 people found the following review helpful. Five Stars By Timothy M Farrell A must have for anyone that is responsible for managing their company's confidential health information. 0 of 0 people found the following review helpful. Five Stars By Kojigogreat resource for the HIPAA professional! Great service, great price. Thank you. 0 of 0 people found the following review helpful. great resource for HIPAA/HITECH compliance By James M McCurry Jr great resource for HIPAA/HITECH compliance. The one area I wish they would add is what the individual states requirements are for reporting data breaches.

HIPAA Compliance Handbook is intended for HIPAA coordinators, project managers, privacy officers, compliance professionals, health care record managers, and others who have the responsibility for implementing the HIPAA

Privacy and Security Regulations. It contains easy-to-understand explanations of the legal and regulatory provisions. The 2016 Edition provides the following benefits: Incorporates new guidance from OCR on mental health information, the marketing rules applicable to refill reminders, student immunizations, and more Comprehensive information on how to perform a breach analysis, with a new flowchart to guide you through the process An introduction to the new Security Risk Assessment Tool provided by OCR to help small- to medium-sized providers conduct thorough and organized risk assessments Analysis of seven new resolution agreements between HHS and covered entities and lessons learned Updated State-by-State Guide to Medical Privacy Statutes
