Lawrence Sullivan, Warren Grimes : Hornbook on The Law of Antitrust: An Integrated Handbook (Hornbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hornbook on The Law of Antitrust: An Integrated Handbook (Hornbooks):

This text offers detailed and comprehensive treatment of basic rules, principles, and issues relating to antitrust law to meet the needs of both students and practitioners for treatment of major antitrust areas. The authors address new areas,

treat a number of areas more fully, and thoroughly reassess core concepts like monopolization and horizontal and vertical restraint.
