**Stephen G. Christianson Esq. : How to Administer an Estate, fifth edition: A Step-by-Step Guide for Families and Friends** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Administer an Estate, fifth edition: A Step-by-Step Guide for Families and Friends:

0 of 0 people found the following review helpful. Five StarsBy slrenExcellent product; fast and perfect delivery0 of 0 people found the following review helpful. Everything you need to knowBy DeeI had an earlier edition and needed to update. It is an invaluable tool for an executor of an estate. I have used it twice and bought this one for the executor of my estate so he can be up to date on what has to be done!4 of 8 people found the following review helpful. Administer

EstateBy John E. DurichekThis book directs a person who becomes an executor of an estate to follow a path that leads to probate court. I was looking for how to administer an estate when it was in a trust. I had to buy a different book to find the answers to my questions.

This book is a step-by-step, self-help resource that guides you through the entire estate and probate process from start to finish. It is complete with great advice, descriptions, and examples of common situations, sample forms, checklists, appendices after each chapter, a glossary, and summaries of the legal requirements in all 50 states.

About the AuthorStephen G. Christianson, Esq., is the author of a wide variety of books and legal encyclopedia articles on estate planning, probate, business law, and other matters. He has also written Facts about the Congress and The American Book of Days (4th edition).
