**Sarah Bartholomeusz : How to Avoid a Fall from Grace: Legal Lessons for Directors** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Avoid a Fall from Grace: Legal Lessons for Directors:

0 of 0 people found the following review helpful. An excellent resource for those requiring a comprehensive overview of directors' dutiesBy Rachel HAlas, I can't give this book five stars as, in my book-soaked world, that is reserved for the books that truly make me feel something extraordinary - and this is, after all, essentially a legal text book! ;-) That said, 'How to Avoid a Fall From Grace' is an excellent resource for those requiring a comprehensive overview of

directors' duties. Sarah has written in easy-to-understand, straightforward language and canvasses important topics such as directors' duties, financial reporting obligations, and personal liability. This is a resource I expect readers will return to often, whether to refresh their general understanding of their obligations, or with a specific question in mind. 0 of 0 people found the following review helpful. Great Little Resource By Customer A much needed and very useful resource. This book has proved to be an excellent investment, providing clear and concise guidance for all sorts of issues. It's hard to imagine a legal book being pleasant or simple to read, but this little volume manages both with ease whilst still being informative. It includes some excellent case studies that are a timely warning, making this volume well worth reading even if you are not seeking answers to a particular question. 0 of 0 people found the following review helpful. Great resource for new company directors and lawyers By Customer How to Avoid a Fall From Grace is an excellent resource for new company directors, as well as those wanting a refresher on their potential personal liability. Also a great resource for lawyers - particularly those starting out in the area of company law - for whom the book will provide a wealth of practical tips and case studies to inform their advice. Sarah Bartholomeusz writes in an easy to read, engaging style which differentiates this book from the majority of legal text books.

Your GUIDEBOOK to NAVIGATING the MODERN CORPORATE WORLD As the leader of your company, you have a lot to worry about on a daily basis. The last thing you need to invest your time in is agonising over the complex legal issues that underpin your actions. In How to Avoid a Fall from Grace, Sarah Bartholomeusz offers legal advice gathered from more than a decade of working with Australian and international companies of every shape and size. In simple terms, Sarah explains how the law specifically relates to your duties as a director. This book will help you:

- Understand the Australian legal system as it relates to directors and officers
- Recall specific, legal rules at critical times
- Understand your liability as a director
- Feel assured that you are complying with the law
- You can lead your company to greatness and stay legal!

About the Author Sarah is the founder and managing director of You Legal, a new category of law firm, providing top-tier corporate and commercial legal services and corporate governance support to ASX-listed companies as well as growing businesses at all stages of their life cycle. As Australia's leading online legal counsel, Sarah has over a decade of experience and is committed to ensuring businesses have access to legal advice that minimises their risks and maximises their potential. As well as making the law straightforward, practical, and accessible for her clients, she regularly speaks at business and industry events and in 2015 was a finalist in the Telstra Business Awards and the Telstra Business Womens Awards.
