Adele Jeanne Emanuel, Thomas A Emanuel : How To Be A Competent Trustee - Book 4: Practical Matters before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Be A Competent Trustee - Book 4: Practical Matters:

This book is essential for people involved with a revocable living trust. It is the last book in a four part book series. Its

purpose is to give practical advice to trustees on steps to take in settling a trust. If you are a trustee of a trust, with either existing or future beneficiaries, you will acquire very valuable information about your responsibilities from this book. It covers both on-going trusts and trusts in which the trustee performs immediate distributions. The authors have tremendous experience and have dealt with and counseled trustees on both their common and their unusual problems. Presented in a helpful question and answer format, the text is easy reading. It handles technical matters easily and simply without legal jargon. An ordinary book about trustee duties might be tough going but this one actually proves interesting.

About the Author JEANNE EMANUEL is a practicing estate planning attorney. She has over 40 years of experience, the last 32 solely in the area of estate planning. She graduated with honors from Western State University College of Law and is now a nationally and internationally known estate planner, speaker and author. Jeanne is also a gifted artist who loves to paint birds, wildlife and California beach scenes. She is happiest when traveling and exploring with her husband anywhere in the world. Thomas Emanuel acts as a professional fiduciary and trustee for selected estates and has worked in the estate planning and trust administration field for more than 25 years. He holds a Masters degree from Georgetown University. Tom is an accomplished writer and speaker. He is a voracious reader and loves to travel with his wife. The Emanuels make their home in northern Baja California, Mexico. This book is their fourth collaboration as authors, but the first they have produced as a series because of the extensive nature of the topic.
