Stuart L. Somach : How to Build and Manage an Environmental Law Practice (Practice-Building Series)

before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Build and Manage an Environmental Law Practice (Practice-Building Series):

Through practical examples and explanations, this volume explores how to build and manage an environmental law practice. It covers: the specialized business aspects of environmental law practice; developing and maintaining the ideal clientele mix; and the technology, tactics and tools needed.
