By Michael S. Outdated. superficial info. Nothing you can't find online More easily and faster. Was recommended to me by an attorney who quit right before we were to file. Go figure.

-How does divorce work-emotionally, practically, legally?-How can you make it as painless as possible for you, your children, and even your spouse?-How can you avoid a trial-and why should you?-How do you select a lawyer or mediator?-When is litigation the only answer?-How do you divide your property-including intangibles?-What are your rights if you were never legally married?-How can you best protect the children-now and in the future?-How do you pick up the pieces and get on with your life?Whether you are contemplating divorce or have already begun the process, this book's step-by-step approach will go far in putting control of the divorce in your hands.

At last, a sensible book that will help prepare spouses for the trauma of divorce. New York Law Journal
