Just sort of a general guide, but no step-by-step of how to get started. You're better off, if you're in Idaho, going to the clerk and getting specific forms and info there. Or spring for an attorney. There are on-line do-it-yourself sites, and I don't know how good they are. But this book wasn't really helpful.0 of 0 people found the following review helpful. great tool i ever gotBy 500 LEGAL FORMS GUIDES BOOK SERIESI bought this book on a whim, because i had just had a fight with my husband.
