It was simply written without being condensending. It sure took the fear out of going through a first time divorce. It even explains the pros and cons of hiring a lawyer and how to hire one. I would definentaly reccommend this book to anyone going through a divorce.2 of 5 people found the following review helpful. Good forms, bad procedureBy Dennis AdamsOk, I filled out all the forms, but if your divorce is contested, forget it. Nobody in the court system will help you without a Lawyer. And the procedure for contested divorce is lacking...my advice... if it's contested....get a Lawyer (in that case, why do I need the book?).

A divorce can be the most painful and expensive experience of your life. Whether you use a lawyer or not, protect

yourself by getting all the information you need about divorce laws and your legal rights. How to File for Divorce in Michigan simplifies and thoroughly explains everything you need to know to successfully handle your own divorce in the state of Michigan. Complete with step-by-step instructions and the forms you need, this book makes filing for divorce inexpensive and hassle-free. This book explains in simple language: How to file for divorce without a lawyer Separation and annulment Uncontested and contested divorce How the legal system works When you need a lawyer and how to work with one Grounds for divorce Property division Alimony Child support Child custody and visitation Protecting your assets, yourself and your children Court procedures Complete explanations of divorce laws in Michigan All the Michigan forms you need
