Pennsylvania divorce law relies on mastery of a convoluted bunch of forms. The less cooperation from your spouse, the more forms you need. What a tangle of bureaucratic nonsense. And judges here will throw your filings back in your face if they are not lette-perfect I don't practice divorce law, although if I did I could make a mint. What a boring, miserable way to make a living. This book will not help practitioners with advanced client needs.. I am a PA attorney, and I hope I never have to get divorced in this state. Worse than filling out tax forms.1 of 1 people found the following review helpful. it workedBy Linguo the Grammar RobotGot divorced in PA, it worked. Was a simple divorce so results may

vary. Used the forms in the back and the county clerk was happy with them. Its instructions did not match up 100% with what the clerk wanted, but you can figure it out as you go along.0 of 0 people found the following review helpful.
