Jill Curtis : How to Get Married . . . Again: A Guide to Second Weddings before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Get Married . . . Again: A Guide to Second Weddings:

1 of 1 people found the following review helpful. Good tipsBy kraftykLike any book with tips some apply to your life and others don't. In this book I found many pages to be encouraging and helpful. Many things written in the book applied to my upcoming encore wedding and I found it helpful.

Every wedding involves many more people than the two who are about to make their promises, and there is always an endless list of things to get sorted. But when it is a second wedding, the people and problems can multiply beyond measure. This guide to second weddings takes account of the emotional and practical concerns involved, and considers the rules of etiquette involved to help the day run smoothly. It hopes to prove that there is no reason why a second wedding should not be as special as a first.

About the Author Jill Curtis is a psychoanalytic psychotherapist working in a private practice in London. She is a frequent broadcaster on family matters and has her own 'help-site' dedicated to parents and grandparents at: www.familyonwards.com.
