Benjamin Anosike : How to Legally Collect Your Child's Fair Support Dues, or to Fight Payment When You Need to: The National Child Support Collection Enforcement Manual before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Legally Collect Your Child's Fair Support Dues, or

to Fight Payment When You Need to: The National Child Support Collection Enforcement Manual:

From Booklist This book's title reveals its subject. Included in this helpful manual are tips on how to locate your child's father or mother, how to prove paternity, and how to enforce your fatherhood rights. Anosike is the author of many self-help law books written for the layperson, and this one offers a history of the national child-support enforcement program, a glossary of child-support enforcement terms, a list of regional offices in every state, and a list of other publications by do-it-yourself legal publishers.
