William L. Schmidt : How to Live-and Die-With Colorado Probate: Wills, Trusts, and Estate Planning in Layman's Language before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Live-and Die-With Colorado Probate: Wills, Trusts, and Estate Planning in Layman's Language:

0 of 0 people found the following review helpful. Not a replacement for an attorney By M. Heck This is something that needs to be read BEFORE you need it. Waiting until after could cost you a bundle. By discovering the various laws and

requirements you can adjust your estate to prevent tax events because of death, make sure things transfer smoothly and maybe not be required to go through probate. While a morbid subject, taking care of things while grief and emotions are not involved grants great peace of mind. 0 of 0 people found the following review helpful. Not sure. Seemed ok but was difficult to apply ...By cashley73 Not sure. Seemed ok but was difficult to apply to real world issues.

Designed for Coloradoans and Colorado property owners, this book tells you in clear, straightforward language how to protect your family and save money. It shows you how to avoid probate and how to reduce and even avoid taxes, fees, and costs with proper planning.

About the Author Schmidt practices estate planning and business planning in Denver.
