From Brand: Taylor Trade Publishing : How to Live and Die with Texas Probate before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Live and Die with Texas Probate:

1 of 1 people found the following review helpful. Read it now or read it laterBy Mark DunkBoth of my parents passed away during the first 4 months of 2013. I was named executor of their estate, so I bought this book as reference as I navigate through probate and estate work. It's a good reference book for the inevitable.0 of 0 people found the following review helpful. Legal Help for Estate ProbateBy Ron AbshireThe author deals with the inevitable "death

and taxes" that no one escapes in a clear and concise manner. The subject is dealt with in an easy to read and understand format. I bought the book for my adult children to help guide them through the process following my demise. I think the book will prove useful to anyone having to deal with the "life realities" following the death of a family member. 0 of 0 people found the following review helpful. Good grief! I should have paid attention. By phoebe bebe Good grief! I should have paid attention! For crying out loud, this book was last updated in 1995. The info is out of date. I've wasted my money and am not happy about it.

For more than 25 years, *How to Live and Die With Texas Probate* has helped Texans and Texas property owners sort out the often complicated issues related to estate planning and probate law.
