David Stopps : How to Make a Living from Music (Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Make a Living from Music (Chinese Edition):

This guide is designed for musicians and music professionals who wish to hone their knowledge of the music business. It is intended as a practical tool to help composers, performers and all those involved in the music world get into the specifics of the management of their intellectual property rights. The guide aims to provide instructive advice on how to build a successful career in music in both developed and developing countries, by generating income from musical

talent.
