So helpfulBy ClareI kept putting off making out a Will until I went to my favorite uncle's estate auction. I then saw what a burden he had placed onto his family by not getting his affairs in order and was determined not to do that to my loved ones. This one gives a lot of info along with pages that can be filled out.without having to go through a lawyer, but are still valid. A great buy and am sure if a Will is in order for you and yours, this book is definitely a good purchase and honestly a piece of mind.2 of 2 people found the following review helpful.
