Gudrun M. Nickel : How to Probate an Estate in Florida: With Forms (Legal Survival Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Probate an Estate in Florida: With Forms (Legal Survival Guides):

12 of 12 people found the following review helpful. The Best and Simplest to Use on How to Probate an Estate By A Customer How to Probate an Estate in Florida is bar far the best, most comprehensive and simplest manual for the layman and lawyer alike. Ms. Nickel has very carefully studied the provisions of The Florida Probate Code and The Florida Rules of Probate Procedure and presented critical, vital information to her readers. In addition, Ms. Nickel has developed easy-to-use and time-tested forms, keyed to the relevant provisions of Florida Probate Law, that are extremely useful to lawyers, heirs, executors of estates and trustees. How to Probate an Estate in Florida is a much better value than many other books dealing with Florida Probate Law. Further, Ms. Nickel is not only an experienced attorney, but a very caring advocate. Her experience in consumer law, mortgage foreclosure defense and probate law is just great! She has no equals! In my opinion, when it comes to How to Probate an Estate in Florida, I would say: Buy it; read it; and use it. You'll be glad you did! 12 of 12 people found the following review helpful. A good, simple introduction to Florida probate options By A Customer This is a good simple overview of Florida probate law, with useful checklists to make sure you do not overlook the obvious. You can find much of the information in the Florida statutes, but this is much more readable and it also coordinates and organizes its information better. It is more of an

outline than a treatise, but if you need a treatise you need a lawyer, not this book. It serves the purpose for which it was designed well.

Instructions and forms that you need.
