**Gudrun Nickel : "How to Probate and Settle an Estate in Florida, 5E" (Probate Settle an Estate in Florida)** before purchasing it in order to gage whether or not it would be worth my time, and all praised "How to Probate and Settle an Estate in Florida, 5E" (Probate Settle an Estate in Florida):

0 of 0 people found the following review helpful. Probate in FloridaBy Fred SebastianThe information was complete but dated. However it outlined in detail the appropriate actions for the individual situations involving the probate process plus the forms to use. This will help anyone to probate an estate without the expense of an attorney. Probate is not a mystery and this book empowers an individual to take charge and not be cowed by the process. The author, Gudrun Nickel, provides a clear and simple road map to complete the probate process.0 of 0 people found the following review helpful. Four StarsBy Beverly L. LeeI'm still reading this book, however, it has answered many of

my questions regarding probate.

This practical guide to the probate process in Florida incorporates the most recent changes in the state's probate and estate administration laws and is divided into three main sections--Family Administration, Formal Administration and Summary Administration. The emphasis is on Family Administration, a simplified settlement procedure for estates of less than \$60,000. New, easy-to-use, blank tear-out forms for all areas of administration are included in this edition.
