**Gudrun Maria Nickel : How to Probate and Settle an Estate in Florida (Legal Survival Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Probate and Settle an Estate in Florida (Legal Survival Guides):

This practical guide to the probate process in Florida incorporates the most recent changes in the state's probate and estate administration laws and is divided into three main sections--Family Administration, Formal Administration and Summary Administration. The emphasis is on Family Administration, a simplified settlement procedure for estates of less than \$60,000. New, easy-to-use, blank tear-out forms for all areas of administration are included in this edition.
