Linda C Ashar : How to Settle a Simple Estate Without a Lawyer: The Complete Guide to Wills, Probate, and Inheritance Law Explained Simply (With Companion CD-ROM) before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Settle a Simple Estate Without a Lawyer: The Complete Guide

to Wills, Probate, and Inheritance Law Explained Simply (With Companion CD-ROM):

1 of 1 people found the following review helpful. Easy to follow and informative. By Jef Savage
The Estate I am helping with is very simple, with 1 beneficiary who is also the Executor. You must refer to your own State Laws for the specifics. For example, in PA the Executors Notice must appear 3 times in a publication which covers the decedents residential location. Most Court Houses will give you a packet of Forms to complete. These forms also have instructions. I checked everything mentioned back to my State and my accountant. I fully expect to be able to close the Estate without the need for a lawyer, but if you are not sure about anything consult legal help on an hourly basis. I did not hand the Estate over to be managed by a lawyer due to the expense. Just employ them for the specific need and get a fee for that work.

When a loved one dies, we want to know that their final wishes were carried out as they had hoped. Being entrusted to carry out these wishes is an enormous responsibility, and one you may not fully understand. The title of executor is given to those who have been named to administer a will and handle the specifics involved with settling an estate. Many times, a loved one dies before the executor has time to learn what the title entails. If you have been charged with serving as executor to a simple estate, *How to Settle a Simple Estate Without a Lawyer* can bring you up-to-date quickly on everything you need to know about wills, trusts, probate, taxes, and much more. This book will help you assess whether the estate under your control can be settled without an attorney. Estates that involve guardianship of a child and complex trusts may require the assistance of a lawyer. Before paying expensive attorney fees to settle a rather straightforward estate, allow this book to explain all the basics you need to know to tackle this project on your own, saving you thousands in the process. In this book, you will learn about identifying the different types of trusts such as charitable trusts, generation-skipping transfer trusts, living trusts, and Totten trusts as well as taking the first steps as an executor, navigating the probate process, paying the debts of an estate, and distributing bequests. This book will explain the duties you will perform as the executor, as well as how to set up a filing system for important documents involved with the estate, claim life insurance and social security benefits, read the will, manage assets and pay bills involved with the estate, and transfer property belonging to the estate. Settling a loved ones estate can be a taxing experience when also trying to cope with his or her passing, especially if the subject is foreign to you. Dont worsen the experience by throwing away your hard-earned money and hiring an attorney to settle a simple estate you can feasibly handle on your own. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida.
