**Ed Sherman : How to Solve Divorce Problems in California: In or Out of Court** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Solve Divorce Problems in California: In or Out of Court:

As many as 70 percent of California divorces encounter problems, and this book addresses them with clarity and common sense. It helps both Respondents and Petitioners in problem cases, covering everything from mild disagreements to flat-out warfare. It helps readers define strategies, protect themselves, negotiate for a fair settlement, make motions that get the courts attention, demand and obtain information from the other side, and handle the case in

court if it comes down to that. Blank tear-out forms and a CD-ROM of forms and additional resources are included.
