As many as 70 percent of California divorces encounter problems, and this newly updated guide addresses them with clarity and common sense. It helps both Respondents and Petitioners in problem cases, covering everything from mild disagreements to flat-out warfare. It helps readers define strategies, protect themselves, negotiate for a fair settlement, make motions that attract the courts attention, demand and obtain information from the opposing side, and handle the

case in court. Blank, tear-out forms and a CDROM of forms and additional resources are included.
