Her first and foremost desire for every client is to educate them and you can see this in her book. This book will help anyone going through the divorce process or even thinking about getting a divorce. Ms. Jones and Mr. Lockwood's guidance will help ease the pain of the process by making sure each person is informed.This book is a true money saver also. The answers in this book will save you tons on legal fees, as it

answers many of the questions you would normally have to ask your lawyer. It's the "go-to" book for divorce!!!! 0 of 0 people found the following review helpful. Ms Jones is Amazing. By Customer Going through a Divorce is never easy especially when you go through a trial. This book outlined everything very clearly. Ms Jones is a truly amazing lawyer who personally gets vested in the lives of her clients. Her team that includes Owen Lockwood and Betsy Gonzalez personifies what the A team looks like when you are in court. I would recommend this book to everyone who is going through a divorce and to call Alison Jones. Thank you again for my freedom! 0 of 0 people found the following review helpful. Must read for divorce. By Customer I have been a client of Allison's for around 10 years so I think I can speak about her in an educated fashion. Allison has steered me on the right path even against my own will during this time. She is a super organized and prepared person and I have entrusted in her my greatest joys in my life (my children). I would listen to everything Allison and Owen have to say.

Divorce is common, but knowing that doesn't make it any easier when you're going through it. Inherently complicated, both emotionally and legally, the process of breaking off from your spouse can become overwhelming. But it is possible to make a bad situation better. Written by Allison Jones and Owen Lockwood, two family law attorneys, *How to Survive a Divorce* helps you navigate your legal matters, and even encourages you to become a better person along the way. While the decision to get divorced is often preceded by acrimonious circumstances, the legal proceedings themselves don't have to make matters worse. By learning about your options and understanding the process, you can begin to see it not as a bitter end, but as a catalyst for building a new life. This guide will help you: Separate from your spouse in a healthy manner Explore alternatives to divorce, even after filing Share parenting duties amicably (if you have kids) Resolve your legal issues as quickly as possible Save money on attorney fees With the holistic approach to divorce provided in this book, you'll soon be focusing on what's next rather than being stuck in the past.
