0 of 0 people found the following review helpful. Like we couldn't type in Alabama Legal aid in googleBy JrustyA couple helpful tidbits here and there but things that I already found on blogs. Also, more than half the book is basically the author's version of the yellow pages. She lists each states legal aid. Like we couldn't type in Alabama Legal aid in google? We need half a book stating each one? So cut the book in half and that's how many pages it really is.

Child Custody can be tough on anyone no matter who you are. Here are a few ideas and strategies that worked for us. They have been used and were very effective for us at little to no cost. Please remember we are not lawyers and you should always consult a lawyer or the police department or judge before you do any things, as laws in each state are different.
