From Mahmood Monshipouri : Human Rights in the Middle East: Frameworks, Goals, and Strategies before purchasing it in order to gage whether or not it would be worth my time, and all praised Human Rights in the Middle East: Frameworks, Goals, and Strategies:

0 of 0 people found the following review helpful. Excellent readBy RuthelizabethWell written, very perceptive and exxtremely thought provoking , informative, very non biased, timely and good chronological order, excellent for

research

The authors provide a systematic analysis of looking beyond the abuses of human rights in the Middle East with a view toward problematizing traditional doctrinal thinking and concepts in the region, ascertaining comparative and historical roots of human rights abuses in the Middle East.

"The future of human rights in the Middle East is among the most important subjects facing policy makers and concerned citizens alike. This collection of essays provides a good starting point for improved understanding of this crucial subject. The reader comes away with greater knowledge of the key issues selected for examination." - David P. Forsythe, professor emeritus, university professor, and Charles J. Mach Distinguished Professor, Political Science, University of Nebraska
About the Author MAHMOOD MONSHIPOURI Associate Professor of International Relations at San Francisco State University, USA.
