Shawn R. Dominy : I was Charged with D.U.I./O.V.I. - Now What?!: What You Need to Know Before Going to Court and Before Hiring a Lawyer for D.U.I./O.V.I. in Ohio before purchasing it in order to gage whether or not it would be worth my time, and all praised I was Charged with D.U.I./O.V.I. - Now What?!: What You Need to Know

Before Going to Court and Before Hiring a Lawyer for D.U.I./O.V.I. in Ohio:

1 of 1 people found the following review helpful. Highly Recommended!By David CarlineA friend recommended this book after discussing a situation at my company. I am responsible for over 150 people. One hopes a colleague would never need such guidance, but the law of averages finds everyone, eventually. I was not equipped to offer any sound advice. After reading this book, I feel much more comfortable about giving someone at least one solid action item read this book, now! The book is short, easy to understand and full of relevant information. I cannot imagine the stress, uncertainty or fear involved with a DUI arrest, but this book will help anyone quickly deal with all of the legal questions driving those emotions.1 of 1 people found the following review helpful. Great book!By mgardnerI've been in law enforcement since 1990 and get asked several times a year, "I got charged with DUI, what should I do now?" This book is a very candid and realistic view of the process with no nonsense. One of the things I really liked about this book is the author's opinion that there is never a slam-dunk DUI case for law enforcement. Over the years I've had several of those cases that I thought were slam-dunks, but somewhere along the line, those cases started to unravel after the initial incident.I would recommend this book to anyone who is charged with DUI or is just interested in the legal process.0 of 0 people found the following review helpful. A Must ReadBy Jennifer GardnerA friend recommended this book because of my work in human resources. I found it informative, concise and a helpful tool for people in a difficult situation. Dominy clearly demonstrates his expertise in this field. But what I particularly appreciated was his approach--informative, but not heavy-handed. His intent is to educate about a process that most of us rarely encounter--he succeeds beautifully in this must-read book for anyone charged with a DUI or those tasked with supporting people through this process.

Nobody anticipates being charged with D.U.I. (called O.V.I. in Ohio). When it happens, people have a lot of questions. This book is designed to answer those questions. If you have been charged with O.V.I. in Ohio, the first thing you should do is educate yourself about O.V.I. cases and O.V.I. lawyers. This book is a great way to do that. By reading this book, you will have the information you need before going to court. You will learn the consequences of an O.V.I. conviction, you will see what the prosecution must prove to get a conviction, and you will become familiar with the court process. You will also have the information you need before hiring a lawyer. You can first use the book's analysis for whether you need to hire a lawyer. If you decide to hire a lawyer, you will have resources for researching lawyers, criteria for evaluating them, and questions to ask before hiring one. With this valuable information, you will be able to make well-informed decisions about how to handle your O.V.I. case. "This book is not only a must read for Ohio drivers charged with DUI, but also for Ohio lawyers wanting to provide quick and accurate information to their clients in urgent situations" Nicholas I. Andersen, Esq. Arenstein Andersen Co. LPA

About the AuthorShawn Dominy is a D.U.I. / O.V.I. attorney in Columbus, Ohio. He is a member of the National College for D.U.I. Defense and frequently teaches other attorneys about D.U.I. / O.V.I. defense. He and his wife have one child and live in central Ohio.
