Paul Kruse, Tony Patterson : Indiana Accident Law: A Reference for Accident Victims before purchasing it in order to gage whether or not it would be worth my time, and all praised Indiana Accident Law: A Reference for Accident Victims:

"Indiana Accident Law: A Reference for Accident Victims," was written as an introductory overview to Indiana accident law. Authors Paul Kruse and Tony Patterson are experienced trial lawyers with the firm of Parr Richey Obremskey Frandsen Patterson. They authored the book to help accident victims gain insight into the world of personal injury, a world filled with its own members and their own vocabulary. The book will provide the reader with a clear and concise step-by-step explanation of the entire process that occurs between an accident and the settlement. Representing accident victims throughout the state of Indiana. Toll Free 1-888-532-7766.
