**James T. O'Reilly, Victoria Wells Wulsin : Infectious Disease: Policy, Law, and Regulation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Infectious Disease: Policy, Law, and Regulation:

Infectious Disease Policy Law, and Regulation looks at litigation regarding infection-related illnesses and their compensation. The claim arises from an individual victim who attempts to prove that the cause of their specific

infection was the negligent act of an entity that is a vector of their type of illness, such as a hospital, surgeon, restaurant or retail marketplace.

About the Author Professor James O'Reilly of the University of Cincinnati co-chairs the FDA Committee of the ABA Section of Administrative Law Regulatory Practice. He formerly chaired the programs committee of the Food Drug Law Institute, and gave the keynote address for FDA's Midwestern management convocation on the 100th Anniversary of FDA in 2006. Dr. Victoria Wells Wulsin, M.D., Dr.P.H. also of Cincinnati, has worked against HIV and STD infections in Kenya as well as in America. She is a champion for global public health.
