Martin M. Shenkman : Inherit More before purchasing it in order to gage whether or not it would be worth my time, and all praised Inherit More:

0 of 0 people found the following review helpful. YES, great buying experience!By ijExceeded my expectations! Thank you!1 of 5 people found the following review helpful. Tops for the job, just like ReaganBy NewboyThis was just what the doctor ordered. I was able to finagle the business and cajole my parents into leaving everything either to

me alone or at least with my hooks in it. Seven children and seventeen grandchildren, all scheming and backbiting to get as much as possible and fritter it away. I had to get some sort of help to get me past the family values claptrap. I mean, how are you going to do your patriotic duty to the economy and keep estates intact and working for the profit of a few? What's the point of protecting inheritances from taxes if they're just going to be sawed up into a million pieces?

Bestselling author and estate-planning expert Martin Shenkman helps you INHERIT MORE Elderly parents and benefactors need your help, and helping them can also preserve the largest financial windfall of your life—an inheritance. Finally, there's a book that answers all your questions. Inherit More is the straightforward, practical guide to keeping more of what's rightfully yours. It also helps you broach a difficult subject with your loved ones.
