**Barry Stillerman : Inheritance Tax: A Practical Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inheritance Tax: A Practical Guide:

A guide to inheritance tax and its ramifications, this book describes new and relevant legislation, projects future changes in legislation, explains how to assess potential inheritance tax liability and examines areas where inheritance tax may be saved. Topics covered include gifts with reservation, exemptions and reliefs, ways of giving, the need for insurance and capital gains tax. This practical guide is written for those concerned with personal finance planning, financial advisers and investment consultants.
