Andrew Komarnyckyj : Inheritance Tax Made Simple: The essential guide to understanding inheritance tax before purchasing it in order to gage whether or not it would be worth my time, and all praised Inheritance Tax Made

Simple: The essential guide to understanding inheritance tax:

'Inheritance Tax Made Simple' offers practical measures that you can take to reduce the burden of inheritance tax (IHT). This applies whether you are concerned about the impact on your own money and assets, or you are receiving an inheritance which may be subject to IHT or cause you to be subject to IHT. The book is divided into four parts: Part 1: An overview of inheritance tax. Part 2: Planning to reduce any IHT burden during your lifetime. Part 3: Taking measures to reduce the burden of IHT on death. Part 4: Dealing with IHT issues if you are administering an estate. Inheritance tax touches some of the most sensitive areas of any legal subject, and dealing with it can often be unduly stressful, or come at a difficult time in your life or the lives of loved ones. It is the aim of this book to be helpfully straightforward and a thorough guide to this complex area of law, and to lessen such stresses as far as is possible.---Erratum to first edition: Point (4) on page 14 should read: "In some cases there will be a nil-rate band to transfer where the death of the first spouse occurred before 21 March 1972. Prior to 21 March 1972, if a husband or wife left assets to his or her spouse (or anyone else) those assets were taxable. If the assets exceeded the nil-rate band in force at the time, there will be no nil-rate band available to transfer. If they were less than the nil-rate band at the time, there could be a partial or entire nil-rate band to transfer."

About the Author Andrew Komarnyckyj is the Director of a niche legal practice delivering innovative legal services to the public and to other professionals. He had a successful career in sales and marketing prior to qualifying as a solicitor. He studied law by correspondence course while working full time, and was awarded two prizes for achieving the highest marks nationally in one of his law exams. During his legal career he has been the head of the Probate Department for two leading West Yorkshire firms of solicitors, at one of which he became a partner. He has over 15 years legal experience working exclusively in the field of wills, trusts, tax planning and probate. He left conventional legal employment in March 2009 in order to establish Wills, Probate and More, www.willsprobateandmore.co.uk, his own niche legal services company, and to be free to comment on the legal profession as an outsider. He now divides his time between legal practise and writing. Andrew is also the author of Probate Made Simple (9781906659554).
