Milder Asep : Injustice to the Elderly: Experiences in a Labyrinth for Aunt Lena before purchasing it in order to gage whether or not it would be worth my time, and all praised Injustice to the Elderly: Experiences in a Labyrinth for Aunt Lena:

Moses I purchased this book a few years ago and was alarmed at the treatment of the author's elderly aunt. This story exposed the ill- treatment and yes, injustice, many elderly people experience and for what... growing old? The wisdom and experience our seasoned elders have to offer is invaluable if only we "youngsters" would take the time to sit at their

feet and listen. They deserve to be honored and respected, not abused, ignored and robbed blind! I applaud Milder Asep for being courageous enough to tell her story and pray that she and her aunt Lena will be given the justice that our great nation is proud of and known for.
