Charles McManis : Intellectual Property and Unfair Competition in a Nutshell (Nutshells) before purchasing it in order to gage whether or not it would be worth my time, and all praised Intellectual Property and Unfair Competition in a Nutshell (Nutshells):

This guide offers a broad summary of the law of intellectual property (patents, copyrights trademarks, trade secrets, and a variety of other sui generis forms of protection for innovations and creativity) and the law of unfair competition (trademark infringement, passing off, trade disparagement, and deceptive advertising).It also touches on related fields of law, such as antitrust, consumer protection, regulated industries, and the law governing interference with contractual and noncontractual relations.
