**Sanjay Sehgal : Intellectual Property Rights And Copyright Laws** before purchasing it in order to gage whether or not it would be worth my time, and all praised Intellectual Property Rights And Copyright Laws:

This book presents the multiple facets of Intellectual Property Rights And Copyrights Laws, defining terms, identifying key issues, and exploring alternatives. It follows the complex threads of law, business, incentives to creators, and the world tradition of access to information, the international context and the nature of human behavior. This book covers IPR laws and policy recommendations as well as principles for policy making.

About the AuthorSanjay Sehgal BSc, LLB, is a practicing Advocate at High Court, Delhi since 1994. His fields of interests include intellectual property, business organizations, tort law, antitrust and property law. He has co-authored

several books on Family Law and has significant papers/ conference participations to his credit. He is currently associated with the project on International Copyright and the Indian Film Industry. He has been a frequent speaker at law conferences, seminars, and law related lecture series.
