Phillip H. Smith : Intent-to-Use Trademark Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Intent-to-Use Trademark Practice:

Your step-by-step guide to the ITU provisions of the amended Federal Trademark Law. This guide takes you through the ITU process, including: initial client consultation on development and marketing issues; all clearance and registration procedures; opposition; and protection of rights under ITU law. In addition, you get 24 practice forms along with practice guides, checklists, sample form letters, and questionnaires.
