This important casebook is based upon one of the leading books in the field Born's treatise, *International Commercial Arbitration*. It offers a comprehensive approach to international commercial arbitration (focused on the New York Convention and UNCITRAL Model Law), while providing comparative examples drawn from state-to-state and investment arbitration. An easy-to-use chronological structure follows the course of an international arbitration.

Features: Thoroughly revised to reflect amendments to UNCITRAL Rules, ICC Rules and other institutional arbitration rules
New sections addressing IBA Guidelines on Party Representation in International Arbitration
Revised to reflect amendments to representative national arbitration legislation in France, Singapore and elsewhere
Streamlined excerpts of cases and awards; added excerpts of new arbitral awards on selected topics.
