**Francisco Forrest Martin, Stephen J. Schnably, Richard Wilson, Jonathan Simon, Mark Tushnet :**  
**International Human Rights and Humanitarian Law: Treaties, Cases, and Analysis** before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Human Rights and Humanitarian Law: Treaties, Cases, and Analysis:

This volume introduces law students to the international legal instruments and case law governing the substantive and procedural dimensions of international human rights and humanitarian law, including economic, social, and cultural rights. It also discusses the history and organizational structure of human rights and humanitarian law enforcement mechanisms. Relevant to U.S. audiences, a chapter is devoted to the issues surrounding the incorporation of international law into U.S. law, including principles of constitutional and statutory interpretation, conflict rules, and the self-execution doctrine. Questions Comments sections provide critical analyses of issues raised in the materials.

of the hardback: ' ... the authors have succeeded in putting together a solid book of cases of material that will be beneficial ... any effort to educate and train individuals for addressing violations can only be for the good.'
