Thomas Buergenthal, Dinah Shelton, David Stewart : International Human Rights in a Nutshell (Nutshells)
before purchasing it in order to gage whether or not it would be worth my time, and all praised International Human Rights in a Nutshell (Nutshells):

0 of 0 people found the following review helpful. Five StarsBy T CExcellent book which came in handy for research on international human rights laws, procedures and processes. -Brian Safran0 of 0 people found the following review helpful. But generally it gives a good overview on the subject and deals with contrevsarial mattersBy Busra KahyaThere are lots of references to releated sometimes occupying the half or the whole page.But generally it gives a good overview on the subject and deals with contrevsarial matters0 of 0 people found the following review helpful.

Four StarsBy JJGreat coverage of international human rights law.

This guide offers a reliable source on international human rights law for students, practitioners, and professors. It provides an overview of the international, regional, and domestic human rights systems. It reviews recent developments in the field of international humanitarian law, including decisions of the ad hoc tribunals for the former Yugoslavia and Rwanda and the establishment of the International Criminal Court. It discusses the history behind international human rights, including the institutional context from which they evolved. It also features expert review of human rights norms and identifies new developments in this area.
