excellentBy albanaThe shipment was very quick, and the book conditions were excellent. I bought it as a used book but to me it seems brand new!

Covering subjects ranging from treaties and dispute resolution to the environment, human rights, and terrorism, this anthology is unique in revealing the influence of international law on political behavior. The third edition has been updated with 13 new chapters that discuss emerging actors and structures, address the most pressing current issues, and consider the future evolution of the international legal system.
