It provided a lot of extra information that was helpful in the broader concept of my legal education.0 of 0 people found the following review helpful. Amazing review bookBy classicbookwormMy class used a very convoluted textbook and this book was excellent in clarifying the doctrine. It gave me all the information I needed without being long

winded. Helped a lot on the exam. 1 of 1 people found the following review helpful. School book

While the only reason I bought this book was because it was required for one of my classes, I actually enjoyed it. It was very informative, well-written, and actually kept me interested.

In this comprehensive examination of international law, you'll find in-depth, substantive discussion supported by expert analysis and commentary, case citations, statutes, and court rules. You'll also reap the benefits of the author's experience, opinions, and insight. Representative topics include treaties, international environmental law, human rights, jurisdictional immunities, and laws of war.
