Barry E. Carter, Allen S. Weiner : International Law: Selected Documents (Supplements) before purchasing it in order to gage whether or not it would be worth my time, and all praised International Law: Selected Documents (Supplements):

An up-to-date collection of source materials, INTERNATIONAL LAW: SELECTED DOCUMENTS works very well with the author's own casebook, INTERNATIONAL LAW, Sixth Edition (with co-author Allen Weiner), and with any other primary text for this course. It can also serve as an excellent desk reference book of carefully-excerpted

documents.
