Very useful for translators or translation students.2 of 2 people found the following review helpful. Really usefulBy Rossana FerrariIt's a great book, really useful and complete. I recommend it to non-english speakers to improve their legal english and prepare the ILEC examinations.0 of 0 people found the following review helpful. Five StarsBy

CustomerGreat. Just great.

International Legal English Second edition is the definitive course for students who need to work in the international legal community. International Legal English Second edition teaches learners how to use English in a commercial law environment and is suitable for classroom use or self-study. This second edition has fully-updated content - including twice the number of authentic case studies compared to the first edition - and contains a new unit on Transnational Commercial Law. An updated pull-out glossary is included in the Student's Book. International Legal English Second edition is ideal preparation for the Cambridge International Legal English Certificate (ILEC) and contains exam practice tasks, exam tips and a practice ILEC test.
